**Career orientation and job contacts:
How to find your perfect job outside academia**

Three half-days of explorations and personal encounters with visits to leaders from different sectors of work in Hamburg. This workshop will broaden your perspective – on what you have to offer and where you might go.

Day one, 14th Feb., 9:00 – 13:30

How to become effective “out there”: Identify your professional opportunities, challenges and visions.

Day two, 15th Feb, 9:00 – 15:00

Work as a team of consultants on a real-life business challenge being faced by a host organization from the private, public or nonprofit-sector. Make a genuine strategic contribution and receive feedback on your input.

Day three, 19th Feb, 9:00 – 13:30

Future career planning: Charting your professional journey. Reflect on your own network and identify areas of purposeful growth. Formulate concrete steps for your next stage of career planning.
