Managing Yourself - Managing Your Supervisor **Elspeth Garman's Tips For A Successful PhD**

Soft Skill Course with *Mildred Dresselhaus Guest Professor 2015*
Elspeth Garman (University of Oxford)

A successful PhD is dependent on your ability to perform excellent research. But, it is not uncommon, to face unexpected challenges that can delay or compromise progress. *Mildred Dresselhaus Guest Professor 2015* Elspeth Garman (University of Oxford) will discuss strategies for coping with, or ideally avoiding these in the first place, by forward planning and managing professional relationships, as well as by developing an awareness of the needs of others within your group. You will learn strategies of how to gradually adapt to your research environment by learning to manage your time, your workload and professional relationships, and by taking responsibility for your research within it.

All PhD-students are welcome - but places are limited.
